# Governance Chart – DTS Services Subcommittee

Friday, June 08, 2007

DTS Services Subcommittee Objective:
Assist the Services Committee of the Technology Services Board (TSB) in the review and evaluation of

- New service offerings being considered by the Department of Technology Services (DTS)
- Strategic planning for services
- rates for new and existing service offerings
- Budget authorizations to fund service development
- Consider expansion, elimination, or re-pricing of existing services

The subcommittee will also report to and seek advice from the IT Council.
